The Argument Topics section of the Verbal Reasoning section is designed to test your ability to analyze and evaluate arguments. The questions in this section are based on a variety of topics, including:

- Economics
- Education
- Environment

- Ethics
- Government
- History
- Law
- Medicine
- Philosophy
- Politics
- Science
- Sociology

The questions in the Argument Topics section are typically presented in one of two formats:

- **Issue questions:** These questions ask you to take a position on a particular issue and support your position with evidence.
- **Argument questions:** These questions ask you to evaluate the strength of an argument. You will need to identify the flaws in the argument and explain why they weaken the argument.
