## How to Choose Clothes That Your Kids Will Actually Like

The first step to getting your kids to wear what you want them to wear is to choose clothes that they actually like. Here are a few tips:

- Let your kids help choose their clothes. This will give them a sense of ownership over their wardrobe and make them more likely to wear what you've picked out.
- Pay attention to your kids' interests. If your son loves dinosaurs, buy him clothes with dinosaur prints. If your daughter loves pink, buy her clothes in her favorite color.
- Don't be afraid to experiment. Try different styles and colors to see what your kids like best.
- Be patient. It may take some time to find clothes that your kids love. Don't give up if they don't like the first few things you pick out.

## **How to Deal with Tantrums When Your Kids Don't Want to Wear What You've Picked Out**

Even if you choose clothes that your kids like, there will still be times when they don't want to wear what you've picked out. Here are a few tips for dealing with tantrums:

- Stay calm. It's important to stay calm when your child is having a tantrum. If you get angry or frustrated, it will only make the situation worse.
- Listen to your child. Try to understand why your child doesn't want to wear what you've picked out. Is it because they don't like the color? Is it because it's too itchy? Once you understand their reasons, you can try to compromise.
- Offer choices. If your child doesn't like the outfit you've picked out, offer them a few other choices. This will give them a sense of control and

make them more likely to cooperate.

- Be firm. If your child is still refusing to wear what you've picked out, you need to be firm. Let them know that you're the parent and you make the decisions. However, be sure to do this in a calm and loving way.

## **My Favorite Snarky Mom Quotes About Kids and Clothes**

Here are a few of my favorite snarky mom quotes about kids and clothes:

- "My kids are like walking billboards for my lack of fashion sense."
- "I'm not a stylist. I'm just a mom who's trying to keep her kids from looking like they escaped from a clown car."
- "My kids have more clothes than I do. And they still never have anything to wear."
- "I'm starting to think that my kids' clothes are actually sentient beings. They always seem to know how to hide from me when it's time to get dressed."
- "I'm not sure why my kids hate wearing clothes. Maybe they're just trying to make me look bad."

I hope you've enjoyed this Fine Pick Out Your Own Clothes Snarky Mom Series. Remember, it's all about having fun and not taking yourself too seriously. After all, kids are just kids. They're going to make messes, get dirty, and wear mismatched clothes. And that's okay.
