Nephrology and Hypertension Board Exam Details

The ABIM Nephrology Certification Exam is a two-part exam that tests your knowledge of nephrology, including:

- Physiology and pathophysiology of the kidney

- Diagnosis and management of renal disease
- Renal replacement therapy
- Nephrology research

The ABIM Hypertension Specialist Certification Exam is a one-part exam that tests your knowledge of hypertension, including:

- Epidemiology and pathophysiology of hypertension
- Diagnosis and management of hypertension
- Hypertension prevention and control
- Hypertension research

Both exams are computer-based and consist of multiple-choice questions. The Nephrology Certification Exam is 225 questions long and takes 5 hours to complete. The Hypertension Specialist Certification Exam is 100 questions long and takes 2.5 hours to complete.

Study Strategies for Nephrology and Hypertension Board Review

The key to success on the nephrology and hypertension board exams is to develop a comprehensive study plan and stick to it. Here are some tips to help you prepare:

- Start studying early and give yourself plenty of time to cover all of the material.
- Create a study schedule that works for you and stick to it as much as possible.

- Use a variety of study materials, including textbooks, review courses, and online resources.
- Take practice exams to identify your strengths and weaknesses.
- Get feedback from a mentor or tutor on your practice exams to help you improve your performance.

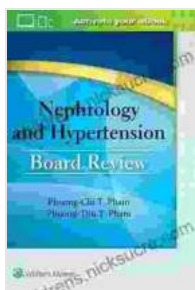

Recommended Resources for Nephrology and Hypertension Board Review

There are a number of excellent resources available to help you prepare for the nephrology and hypertension board exams. Here are a few of our recommendations:

- Nephrology Review and Reference by Sajjad Ahmad, MD and Christopher S. Wilcox, MD
- Hypertension: A Companion to Brenner & Rector's The Kidney by Michael J. Briggs, MD, Kevin R. Chaisson, MD, and Nicole P. Moyle, MD
- Nephrology Board Review Course by the American Association of Kidney Patients
- Hypertension Specialist Certification Exam Review Course by the American Society of Hypertension
- Practice Exams for the ABIM Nephrology and Hypertension Specialist Certification Exams by the American Board of Internal Medicine

Preparing for the nephrology and hypertension board exams can be a challenging but rewarding experience. By following the tips in this guide and using the recommended resources, you can increase your chances of

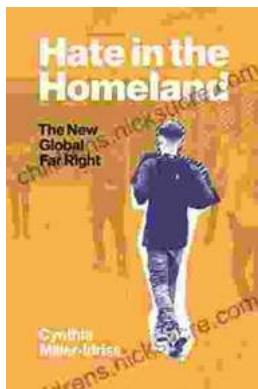

success. With hard work and dedication, you can achieve your goal of becoming a board-certified nephrologist or hypertension specialist.
